DISCLAIMER: Because of the level of experience needed "Hybrid Horsemanship" techniques are specifically aimed at trainers and not for the average or beginner horse person. I am a trained, well respected, professional with 20 plus years of experience. Hybrid Horseman, Paul Williamson or Endospink, will not be responsible for any injuries incurred after viewing his videos or web site and trying this at home. ENDO SAYS: RIDE RESPONSIBLY, WHEN YOU ARE ENJOYING YOUR HORSES, USE PROTECTIVE GEAR!

Note: Clinic is in movie format playable on PC & MAC with an SDcard slot. If your PC or MAC does not have an SDcard slot, simply purchase SDcard compatible USB card reader available at most super markets for around \$10. ALSO if you copy the clinic file to your computer your are free to use the 4GB SDcard for normal purposes.
